Your Personal Information; Confidentiality

If you register your Card, we will provide you with a copy of the Privacy Policy when you register.

Here is a general description of how we collect and handle your personal information:

(i) Information We Collect ("Cardholder Information"):

- (a) Information about purchases made with the Card, such as date of purchase, amount and place of purchase.
- (b) Information you provide to us when you apply for a Card, or for a replacement Card or when you contact us with customer service issues, such as name, address, or phone number.

(ii) Information Security: Except as otherwise disclosed in this Agreement, only those persons who need it to perform their job responsibilities are authorized to have access to Cardholder Information. In addition, we maintain physical, electronic, and procedural security measures that comply with federal regulations to safeguard Cardholder Information.

(iii) Disclosure of Information: We may use Cardholder Information to provide customer services, to process claims for lost or stolen Cards, to develop marketing programs, to help protect against fraud, and to conduct research and analysis. In addition, it is often necessary for us to disclose Cardholder Information for the same purposes to companies that work with us. For example, we may provide certain Cardholder Information to companies that perform business operations or services, including marketing services, on our behalf, or other institutions with which we have a joint marketing agreement. We may also provide certain Cardholder Information to others as permitted by law, such as for purposes such as marketing and promotions and government entities or other third parties in response to subpoenas.

Without limiting our rights under the Privacy Policy, we may disclose information to third parties about you, your card account, or the transactions you make: (1) Where it is necessary for completing transactions; (2) In order to verify the existence and condition of your card account for a third party, such as a merchant; (3) In order to comply with government agency, court order, or other legal reporting requirements; (4) With your permission; or (5) To our employees, auditors, affiliates, service providers, or attorneys as needed.

Arbitration Disclosure

(a) Purpose: This Arbitration Provision sets forth the circumstances and procedures under which claims (as defined below) may be arbitrated instead of litigated in court.

(b) Definitions: As used in this Arbitration Provision, the term "Claim" means any claim, dispute or controversy between you and us arising from or relating to the Card or this Agreement including the validity, enforceability or scope of this Arbitration Provision or the Agreement. "Claim" includes claims of every kind and nature, including but not limited to initial claims, counterclaims, cross-claims and third-party claims. The term "Claim" is to be given the broadest possible meaning that will be enforced and includes, without limitation, any claim, dispute or controversy that arises from or relates to (i) your Card; (ii) the amount of Available Funds on the Cards; (iii) advertisements, or oral or written statements related to the Card, goods or services purchased with the Cards; (iv) the services related to the Cards; and (v) your purchase, activation, use or upgrade for any Card. We shall not elect to use arbitration under the Arbitration Provision for any Claim that you properly file and pursue in a small claims court of your state or municipality so long as the Claim is individual and pending only in that court.

As used in the Arbitration Provision, the terms "we" and "us" shall mean the Bank, subsidiaries, affiliates, licensees, predecessors, successors, and assigns; and all of their agents, employees, directors and representatives. In addition, "we" or "us" shall include any third party using or providing any product, service or benefit in connection with any Cards (including, but not limited to merchants who accept the Card, third parties who market or provide services), if, and only if, such third party is named as a co-party with us (or files a Claim with or against us) in connection with a Claim asserted by you.

(c) Initiation of Arbitration Proceeding/Selection of Administrator: Any Claim shall be resolved, upon the election by you or us, by arbitration pursuant to this Arbitration Provision and the procedures of the national arbitration organization to which the Claim is referred. Claims shall be referred to either the Judicial

Arbitration and Mediation Services ("JAMS"), or the American Arbitration Association ("AAA"), as selected by the party electing to use arbitration. If a selection by us of one of these organizations is unacceptable to you, you shall have the right within 30 days after you receive notice of our election to select either of the other organizations listed to serve as arbitrator administrator. You may contact us for instructions on how to obtain copies of any of these organizations' procedures.

(d) Significance of Arbitration: IF ARBITRATION IS CHOSEN BY ANY PARTY WITH RESPECT TO A CLAIM, NEITHER YOU NOR WE WILL HAVE THE RIGHT TO LITIGATE THAT CLAIM IN COURT OR HAVE A JURY TRIAL ON THAT CLAIM, OR TO ENGAGE IN DISCOVERY EXCEPT AS PROVIDED FOR IN THE PROCEDURES OF THE JAMS, OR AAA, AS APPLICABLE (THE "PROCEDURES"). FURTHER, YOU WILL NOT HAVE THE RIGHT TO PARTICIPATE IN A REPRESENTATIVE CAPACITY OR AS A MEMBER OF ANY CLASS OF CLAIMANTS PERTAINING TO ANY CLAIM SUBJECT TO ARBITRATION. EXCEPT AS SET FORTH BELOW, THE ARBITRATOR'S DECISION WILL BE FINAL AND BINDING. NOTE THAT OTHER RIGHTS THAT YOU WOULD HAVE IF YOU WENT TO COURT ALSO MAY NOT BE AVAILABLE IN ARBITRATION.

(e) Restrictions on Arbitration: If either party elects to resolve a Claim by arbitration, that Claim shall be arbitrated on an individual basis. The arbitrator's authority to resolve Claims is limited to Claims between you and us alone, and the arbitrator's authority to make awards is limited to you and us alone. Furthermore, Claims brought by you against us or by us against you may not be joined or consolidated in arbitration with Claims brought by or against someone other than you, unless otherwise agreed to in writing by all parties.

(f) Location of Arbitration/Payment of Fees: Any arbitration hearing that you attend shall take place in the federal judicial district of your residence. At your written request, we will consider in good faith making a temporary advance of all or part of the filing administrative and/or hearing fees ("fees") for any Claim you initiate as to which you or we seek arbitration. At the conclusion of the arbitration (or any appeal thereof), the arbitrator (or panel) will decide who will ultimately be responsible for paying the fees in connection with the arbitration (or appeal).

(g) Arbitration Procedures: This Arbitration Provision is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act, 9 U.S.C. Sections 1-16, as it may be amended (the "FAA"). The arbitration shall be governed by the applicable Procedure, except that (to the extent enforceable under the FAA) this arbitration Provision shall control if it is inconsistent with the applicable Procedure. The arbitrator shall apply applicable substantive law consistent with the FAA and applicable statutes of limitations and shall honor claims of privilege recognized at law and, at the timely request of either party, shall provide a brief written explanation of the basis for the decision. The arbitrator shall take reasonable steps to preserve the privacy of individuals, and of business matters. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The arbitrator's decision will be final and binding, except for any right of appeal provided by the FAA. However, any party can appeal that award to a three-arbitrator panel administered by the same arbitration organization, which shall consider anew any aspect of the initial award objected to by the appealing party. The appealing party shall have thirty (30) days from the date of entry of the written arbitration award to notify the arbitration organization that it is exercising the right of appeal. The appeal shall be filed with the arbitration organization in the form of a dated writing. The arbitration organization will then notify the other party that the award has been appealed. The arbitration organization will appoint a three-arbitrator panel which will conduct an arbitration pursuant to its Procedure and issue its decision within one hundred twenty (120) days of the date of the appellant's written notice. The decision of the panel shall be by majority vote and shall be final and binding.

(h) Continuation: This Arbitration Provision shall survive termination of your Card. If any portion of this Arbitration Provision is deemed invalid or unenforceable, it shall not invalidate the remaining portions of this Arbitration Provision or the Agreement, both of which shall be enforceable regardless of such invalidity.

Gift Card FAQ's

Q: How do I use my gift card?

A: First, sign the signature panel and the back of the Card. We also suggest that you write down the gift card number and the customer service number from the back of the card on a separate piece of paper in case the gift card is lost or stolen.

You can then use your card the same as you would use a credit card provided there is sufficient funds loaded on the card to cover the full amount of your purchase. Present it to the clerk when making a purchase, and sign the form or receipt. If the merchant requests, instruct the merchant to select "Credit" on the terminal.

Q: Where and when can I use my gift card?

A: You can use your Visa gift card anywhere that Visa prepaid (debit) cards are accepted. You can use your gift card right away, and we encourage you to use your gift card within one year of receipt since service fees may apply after one year of inactivity in accordance with applicable law.

Q: Can I access cash from my gift card?

A: No, you can not access cash (at any time) from your Card via an ATM or a point of sale terminal.

Q: How do I register my personal information and/or find out what my balance and transaction history are on my gift card?

A: Go to www.MyGiftCardManager.com immediately after receiving your card to register your card.

Q: Why should I register my Card?

A: Registering your Card at www.MyGiftCardManager.com will provide the additional security required to allow you to use your Card for internet purchases as well as requesting a replacement card should your Card become lost or stolen.

Q: Does my gift card expire?

A: Your gift card will expire once the "valid thru" date listed on the front of your gift card has passed. However, the funds do not expire, and will still be available if you contact us to receive a replacement Card. There will not be a charge for a replacement Card if you are ordering a replacement Card after your Card expires in order to access unused funds. You may contact us at 1.866.586.4438 to request a new Card after your Card expires.

Q: Can value be added onto my gift card after it is purchased?

A: No, the gift card is disposable. It cannot be reloaded or renewed. When all value is used, the card should be destroyed. Do not give your gift card to a merchant to destroy.

Q: What if my purchase is greater than the value available on my gift card?

A: You must advise the merchant how much is available on your gift card. The merchant would complete a split tender transaction and charge the gift card for the available balance. The remaining amount of your purchase would require another form of payment.

Q: How do I use my gift card at a restaurant?

A: You may use your gift card at a restaurant the same as you do at any other merchant. However, it is common for service-oriented merchants to automatically factor in an additional 25% to cover any tip you may leave on the card. If your total bill, after adding in the additional 25%, exceeds the amount on the gift card, it will be declined. You should ensure that your gift card has an available balance that is 25% greater than your total bill. TO AVOID A DECLINE OF, OR A HOLD ON, YOUR GIFT CARD, YOU CAN ASK THE MERCHANT TO AUTHORIZE A SPECIFIC DOLLAR AMOUNT. WE DO NOT GUARANTEE THAT THE MERCHANT WILL FULFILL THIS REQUEST.

Q: How do I use my gift card at hotels and rental agencies?

A: Like restaurants, companies associated with travel services may automatically factor in an additional 25% to cover incidental charges that you might incur. You should ensure that your gift card has an available balance that is 25% greater than your total bill.

Q: Can I use my gift card at gas stations?

A: We recommend always using your card inside at the register to prevent over authorization which could possibly cause your card to decline.

Q: If my card is lost or stolen, how do I report it?

A: Immediately report your card lost or stolen by calling 1866.586.4438.

However, once you sign the Card, it is for your use only. You are wholly responsible for the use of each Card according to the terms of this Agreement.

Using Your Card

You may use your Card to obtain goods or services wherever the Card is honored. The Card cannot be used to obtain cash, for illegal transactions or on-line gambling activity. If you use your Card number without presenting your Card (such as for a mail order or telephone purchase), the legal effect will be the same as if you used the Card itself. For security reasons, we may limit the amount or number of transactions you can make on your Card. You do not have the right to stop payment on any transaction made with your Card.

If you wish to use your Card for a purchase which is greater than the balance of the funds available on your Card, you must tell the merchant to charge only the exact amount of funds available on the Card to the Card and then you must arrange to pay the difference using another payment method. The merchant may require payment for the difference in cash rather than accepting another card, such as a credit or debit card. Some merchants may not accept these "split transactions." If you fail to inform the merchant prior to completing the transaction, your Card is likely to be declined.

If you commence a purchase and then change your mind and fail to make the purchase, after the merchant has already obtained an "authorization" for the transaction, the "authorization" may result in a temporary hold for that amount of funds for up to ten (10) days.
